Whether Mr Subbayya is a suitable person to be the permanent librarian of the Oriental Library. I do not know whether Mr Subbayya is a profound Sanskrit & Kannada Scholar who can be expected to avail himself of the facilities & opportunities afforded in the rather leisured appointment of Librarian to carry on research & to Edit learned treatises in Sanskrit & Kannada. If he is not a scholar fitted for that sort of work the librarian's place will be wasted on him & he should be kept there only as a temporary expedient until a suitable place can be found for him. If this view is accepted, Govt. may pass an order that the pay of the librarian may be 75-10-125 but that the question may be treated as personal to Mr Subbayya & that the difference between that pay & the pay of 50-$\frac{10}{2}$-100 fixed for the librarian of the Oriental library may be treated as a personal allowance, or that the pay of the librarian is temporarily fixed at 75-10-125 Rs without prejudice to revision when the whole of the Oriental

Inspector-General of Education in Mysore.

To

C.S. Balasundaram Iyer, Esq., B.A.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Departments of Education & Agriculture,
Bangalore.

SIR,

I have the honour to inform you that consequent on the General Public Library at Mysore being placed in charge of the Curator of the Oriental Library, Mysore as per Government Order No.775-825/Edn.305-825-10- dated 20th July 1914, it has now become necessary that the Librarian of the Oriental Library should be at the Library the whole working day. The present Librarian Mr. M. Subbaiya, is also a teacher in the Maharani's College, Mysore, for Logic and gets an allowance of Rs.30 per month for the same in addition to his pay of Rs.60 in the grade Rs.50-10/2-100 in the Oriental Library.

In the revised cadre of Educational Officers, I have proposed to place him in the grade Rs.75-10-125 on a starting pay of Rs.75. I recommend that he may be completely divested of his work in the Maharani's College and made to work in the

Orient brary full-time on a pay of Rs.75 in the grade Rs 75-10-125 plus his present allowance of Rs.30 per month the latter being regarded as personal allowance and absorbed as he gets his increments. For the Mharani' s College, a separate teacher will be asked to teach Logic with the usual allowance of Rs.30 per month.

I have the honour to be,

Sir,

Regarding his pay, it is found that he is drawing Rs.60 per month and that the Comptroller has not authorized the Treasury to pay at the higher rate sanctioned in Government Order No.1261-2/Edn.407-13-11 dated 11th November 1914.
